

Send your family and friends FISH Hospitality Pantries Christmas Gift Cards and help end hunger in Knoxville.

Spread Good Will

This Christmas, you can spread good will among your family and friends and help feed hungry Knoxville families at the same time. This year, FISH Hospitality Pantries has provided food packages to over 5,000 families per month. The continued success of this outreach program depends largely on the generous contributions of people like you.

\$5 Feeds Four for 3 Days

For just \$5, or any multiple of \$5, you can send holiday wishes and feed hungry families. Thanks to special purchases FISH Hospitality Pantries needs only \$5 to feed a family of 4 for 3 days.* Your family and friends will receive an attractive Gift Card telling them how many families you have fed in their name.

A Gift That Will Be Remembered

To send Christmas gifts you can feel good about, simply list your family and friends on the form provided or attach your own list. We will take care of the rest, mailing the cards before Christmas. If you'd rather

send the cards yourself, just indicate on the form how many cards you need and we'll send them to you. Either way, you'll be spreading good will and helping end hunger in Knoxville. Thanks for your support.

*Hunger in our community is a year-round concern. Since \$5 feeds a family of 4 for 3 days, an annual donation of \$610 (or \$51 per month) would mean that every day of the year one family would be eating because of your generosity.

Here's what \$5 can provide:

- | | |
|------------------|-------------------|
| Baked Beans | Tuna |
| Turnip Greens | Dried Pinto Beans |
| Blackeyed Peas | Peanut Butter |
| Spinach | Corn Bread Mix |
| Potatoes | Spaghetti |
| Green Beans | Macaroni & Cheese |
| Fruit | Luncheon Meat |
| Saltine Crackers | Loaf Bread |
| Breakfast Cereal | |

Low-cost product availability varies month to month. Donated food items help keep cost low per food bag. Because of high demand at the pantries we may have to reduce the amount of food in our bags in order to have enough bags for everyone who needs one.
